WHO WE ARE

A LEADING HOMELESSNESS CHARITY DRIVING UK-WIDE CHANGE

It all started with a coffee shop.
Now, it's a movement with a mission.

Social Bite began life in 2012 as a small coffee shop in Edinburgh. When Peter, a young man experiencing homelessness, came in to ask for a job, a bold new journey began. Now, with our amazing network of donors, fundraisers, volunteers, and partner businesses across the UK, we're pushing for nothing less than an end to homelessness. One innovative idea at a time.

SOCIAL BITE VILLAGES

A MORE HUMAN APPROACH

TO HOUSING

We're pioneering a new model for housing people experiencing homelessness and addiction.

Our Edinburgh Village is a small, vibrant, supported community, and a safe and beautiful place to live. With the second Social Site Village in Rutherglen, we're working to scale this groundbreaking model across the country. With your help, we can take it further, faster.

WHAT WE DO

FUELLING FRESH STARTS

Support, stability, and opportunity — that's what people need to transform their lives.

We help them access all three, through a focus on food, homes, and jobs.

That is our vision. Using food, jobs and housing to break the cycle of homelessness. We have also helped raise millions with fundraising campaigns to support people out of homelessness.

What we do →

140,000+

Food and drink items distributed annually to people who are homeless and vulnerable across the UK.

1,000+

People housed through our accommodation projects and partnerships.

120+

People helped into meaningful, lasting employment through our Jobs First initiative.

COFFEE SHOPS

BREWING SOMETHING GOOD

Pop in for freshly-prepared breakfast or

lunch, enjoy a barista-made coffee, or treat yourself to something sweet.

Our coffee shops also provide a daily free food service to anyone who needs it. Our amazing customers can choose to "pay it forward", adding a little extra to cover the cost of a meal or a hot drink for someone else.

JOBS FIRST

SUPPORTING PEOPLE INTO EMPLOYMENT

Our Jobs First programme gives people who are affected by homelessness access to life-changing opportunities.

Working with employers who share our values, Jobs First offers a route into rewarding, long-term work. Proven by independent research, our 15-month trauma-informed support model for both employer and employee breaks down barriers and empowers candidates to set themselves up for a thriving future.
